2012 Girls Golf Calendar Dates

The following is a capsule of the CIF Southern Section golf calendar for the upcoming season.

First Contest

No interscholastic contests (practice, tournament or league) may be scheduled prior to **Monday, August 27, 2012.**

Last Contest and At-Large Team Entry Information

All competition (non-league, league and tournaments) must end on or before **4:00 p.m., Friday, October 19, 2012.**

Team and individual entries are due in the CIF Southern Section office no later than **12:00 p.m., Friday, October 19, 2012.** League Managers must plan to schedule league culminating tournaments accordingly. No competition will be allowed after October 19. One at-large team from each league will be accepted after having met all qualifiers. At-large team entries must submit 6 qualifying scores for entry. Alternates for the individual championship must be submitted by the League Final Manager.

Course Deadlines

Effective with the 2010-2011 school year, course deadlines were no longer in effect. The Girls Golf Committee voted to make this change on December 3, 2009. Course deadlines previously prohibited players and coaches from playing golf courses used for Southern Section post-season competition after a specified date. **Coaches and players must still adhere to the CIF Rule 310 which prohibits organized team practice on Sunday.** Please refer to above Practice Restrictions related to Bylaw 310 and 2012.

Sunday Practice Restrictions

No practice or instruction from the school coach of any type (team or individual) may be conducted on Sunday. (Exception for religious schools: see Blue Book Bylaw 310 and 2012.) If a coach is transporting players on Sunday to a tournament on Monday, the coach must call the Southern Section office and advise the Commissioner of his plans.

What constitutes organized practice?

Organized practice shall be interpreted as meaning the association of a coach with team members for the purpose of learning or practicing the skills of golf.

It is important to realize that a coach should also conform to the spirit as well as the letter of the rule. For example, a golf coach who is sitting in the clubhouse while his or her team is using the practice facilities or playing the golf course would be in violation of this rule.

A coach would also be in violation of the rule if he or she dropped off their team members at the golf course and left the premises. This also would never be advised as a coach should always be supervising his or her athletes when they are under his or her care.

Can a parent, who is not a coach, take the team to the golf course for practice on a Sunday?

No, this would again be a violation, because the parent is in effect circumventing the rule and the practice is organized.

Can a parent take his or her son or daughter individually to the golf course for practice on Sunday?

Yes, the Section office does not regulate how a parent chooses to spend time with their son or daughter.

Student and Coach Behavior and Dress Code

CIF Southern Section wishes to promote appropriate student and coach behavior at our post-season events. Golf courses impose dress codes. CIF Southern Section will impose dress codes.

Second Place Team Qualifying for Post-Season Divisional Tournaments

All second place teams must have qualifying scores to be eligible to participate in. To participate, all second, third and fourth place teams must have achieved a best nine-hole score of 240 or better for a par 36 (adjustable by par) for any six matches during the season to qualify for entry.

Pull Carts

Effective with the 2011-2012 school year, the Girls Golf Advisory Committee has agreed to remove all restrictions on pull carts. All players may use pull carts.

Cheering Sections

Fan/Student cheering sections are encouraged to cheer and support their own team and should display proper sportsmanship with respect to the opposing team and the game officials. They are expected to follow the following guidelines and failure to do so may lead to removal from the contest and/or forfeiture of the contest.

- No noisemakers (horns, bells, victory bells, sirens, chimes, wooden blocks, balloons, thunder sticks, etc.). Megaphones may only be used by the school's uniformed cheer squads.
- Cheering devices such as rally towels, pompoms and pennants are acceptable when used within the bounds of good sportsmanship.
- It is the expectation that cheering section behavior will be monitored by the assigned school staff of the school that they represent. All improper behavior/language should be addressed and corrected immediately by school staff supervisors.
- Face painting is acceptable from the neck up only and shall not include any inappropriate letters or symbols. Assigned school staff shall monitor their cheering sections in regards to face painting

Coaching During CIF Southern Section Championship Competition
(Divisional, Regional and Championship Events)

On January 25, 2010 the Southern Section Boys and Girls Golf Committees approved a proposal to allow coaching, under limited circumstances, during the conduct of Southern Section divisional and regional competition and Championships. The purpose was to allow a coach to provide instruction, encouragement and information to his/her golfers without interfering with play or the conduct of the event. The proposal was ***approved for the 2011-2012 school year only*** *for both girls and boys. The Committee will evaluate the success of the rule change after the conclusion of the 2012 boys' golf season.* ***On June 27, 2012, the Golf Advisory Committee approved this rule to be continued for the 2012-2013 boys and girls' golf season.***

Coaches must adhere to the following regulations:

- Between the play of holes, a coach is allowed to communicate advice to his/her players.
    - Between the play of holes is defined as that period when an entire group has completed play of a hole and ends when the individual player hits his or her tee shot on the next hole.
- The communication of advice may not impede the pace of play.
- Coaches are NOT allowed to communicate any advice (verbal or non-verbal) during the play of the hole. A violation of this would result in the player being penalized under Rule 8 of the USGA Rules of Golf.
- Coaches who are in violation of this policy may be subject to one or more of following consequences from a member/members of the tournament committee:
    - Warning
    - Limited coaching time
    - Removal from the golf course (coach may remain in the clubhouse/practice area)
- Only the golf coach as specified under Bylaw 309 may communicate advice to his/her players.
    - The golf coach is defined as the person who signs in the team at the event, and is listed on file at his/her respective high school as the golf coach.
    - Throughout the competition, the golf coach must wear a wristband identifying him or her as the golf coach. CIF will provide the wristbands at each post-season event**.**
- As a reminder, players are still prohibited from communicating advice, as defined by Rule 8, to other players at any time during their round. Any player who gives or asks for advice will be penalized according to Rule 8 of the USGA Rules of Golf.

Any head coach, assistant coach, or school employee who is found to be in violation of the regulations outlined above may be denied entry at future CIF post-season events, and may cause his/her team or individual players to be disqualified from the event. The suspension and disqualification penalties are subject to the judgment of the Commissioner of the CIF Southern Section whose decision is final.

Note: Coaching is **prohibited** during CIF/WSCGA Southern Regional and CIF State events.

For any corrections, contact Pat Schmidt, CIF Southern Section office, immediately.

Leagues with less than four teams will be considered freelance. If your school is participating on a freelance basis, you must forward a letter of intent from your principal including your schedule of matches as soon as possible to Rob Wigod, Commissioner of Athletics.

Blue Book Rules – Special Points of Interest

A. Points of Interest

1. ***Definition of a Match –*** Schools are entitled to 24 varsity matches (Blue Book Rule 2004). Every contest in which two or more teams or individuals from teams meet for the purpose of competition or playoff entry constitutes a match. Matches must be completed on the same day as the scheduled competition. A school that plays nine holes against an opponent on one day will count that as a match. They may not play nine holes against that same opponent on another date and then count the 18-hole total as one match. Individual golfers may not participate in more than 24 matches, regardless of the level played. **

   **Exception: Any student engaged in a multi-round elimination tournament for the purpose of determining league individual entries may complete that tournament even if he/she would exceed the maximum number of matches.

2. ***Tournaments –*** Schools may compete in four tournaments during the season, regardless of the number of entries that score toward team finish. Teams entering tournaments may not be "split" in order to participate at multiple sites. Tournaments do not count as matches.

3. ***Schools without Girls Teams –*** If a school does not have a girl's team in the fall, girls may participate on the boy's team in the spring. In order to qualify for the WSCGA Tournament in the fall, girls will be permitted to participate in the Freelance Qualifying Tournament. The WSCGA Tournament will be held during the fall season of sport. Females may not participate in the Boys Individual Championship.

4. ***Cross Leaguing –*** If your league is not participating in girls golf, contact neighboring leagues to see if they have an opening for another team.

5. ***Freelance –*** Schools participating on a freelance basis must submit a schedule to the Commissioner over girls' golf. Freelance schools must submit qualifying criteria in order to qualify for post-season competition. (An index of 17 or lower is acceptable for individuals.) (Refer to Girls Golf Freelance Bulletin)

   A freelance qualifying tournament will be held for those teams and individuals who are not in a league. There will be a fee of $35 per individual player and $175 per team.

B. Accountability Rule (Rules 2013 and 2014)

Coaches and players are expected to exhibit good sportsmanship and fair play. See Blue Book Rule 2013 and 2014 for information on players and coaches conduct.

Failure to Complete a Contest (Rule 125.2)

When a school fails to complete a contest due to a coach pulling his/her team from the floor, court or field, it is mandatory that the CIF Southern Section office be notified by the principal within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports and, after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section office concerning his/her investigation of the incident.

Question: How serious is such action?

Answer: It has been the position of the CIF Southern Section Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season. The Executive Committee is empowered to consider recommendations for additional penalties.

C. Supervision Requirement (Rule 309)

The Southern Section office has experienced a problem which has perpetuated itself over the past few years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs. The situation relates only to individual sports, i.e., cross country, golf, individual tennis, track, swimming, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 309 states:

No CIF team or individual shall participate in interscholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code 49032, 35179.1 and CIF Southern Section Bylaws 22.B.9 and Bylaw 506. Additionally, refer to Bylaw 123. **The supervisor must remain in attendance at all times.**

Those persons approved for supervision purposes are:

1. certificated personnel
2. certified coaches (certified credentialed coaches)
3. non-certificated temporary coaches (certified walk-on coaches).

It should be noted that schools representing the same district may send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes because the district has assigned him/her the supervisory role for all students from its member schools.

This rule applies to those students who are not accompanied by a faculty representative and report to the playoff site by themselves or with a parent. **Giving parents the supervision authority, whether in writing or not, <u>does not</u> meet the standards set forth in the above regulations.** This also applies to parents who are the student's private coach but are not under contract to the member school.

Please note: This rule was reviewed with both the State CIF office and State CIF attorney and the Southern Section Executive Committee who reaffirmed that the interpretation stands as above and that any student reporting for competition who is not under direct supervision in accordance with State and Southern Section Rule 309 is to be denied.

D. Other Points of Interest

1. ***Level of Competition –*** No student shall participate in more than one level of competition in the same sport in the same day.

2. ***Maximum Athletic Contests –*** All interscholastic contests are to be arranged in such a way that no student shall take part in more than two athletic contests in any one day.

3. ***Rules –*** All golf competitions in the CIF Southern Section will be played under USGA rules unless otherwise provided for in the current edition of the CIF Southern Section Blue Book. All coaches are urged to obtain a copy of the Rules of Golf and have available at all competitions.

E. Advice Rule

Please remind all participants of Advice Rule #8 (Advice and Assistance) in the Rules of Golf which specifically prohibits players from receiving any counsel or suggestion from anyone including their coaches, teammates, other players, spectators or parents. "Advice" is any counsel or suggestion which could influence a player in determining his play, the choice of club or the method of making a stroke. However, information on the Rules of Golf, matters of public information and/or Local Rules for this tournament is not considered advice.
A player shall not give advice to anyone in the competition. Verbal or non-verbal communication between coaches, players, parents and/or spectators that meets the criteria of the Advice Rule will be considered a violation. The penalty as described in the Rules of Golf (Rule 8, stroke play) is two strokes.

A player who witnesses a violation of the Advice Rule is advised to call the infraction immediately to the attention of the competitor. Event staff who witness infractions are empowered to call the violation and assess the penalty.

These rules will be in effect for all CIF Southern Section post-season play. We strongly recommend that leagues adopt this policy for the sake of consistency in the conduct of matches by CIF member schools.

F. Event Management

If a course permits spectators, parents and spectators are advised that they are confined to the cart paths and rough. They should be well clear of the competitors and observe rules of etiquette when applauding or cheering a stroke or play. Event management reserves the right to remove unruly spectators from the course, or assess penalties against competitors who cause, encourage or promote inappropriate displays.

G. 3-5-7 Rule

CIF Southern Section does not support using the 3-5-7 rule as a means for speed of play or as a means for entry into playoffs. Coaches should suggest strategies for speed of play which may include: walking fast, putting when ready, helping with lost balls and playing a second ball when a ruling is in question.

H. Other

It is **not** allowed to use alternative scores (i.e. double par pick up or 3-5-7) for qualifying scores.

CONDITIONS OF COMPETITION AND LOCAL RULES

Play is governed by the most current USGA Rules of Golf, the following Local Rules subject to amendments by the CIF Southern Section Golf Management Committee and the Local Rules Addendum distributed at each site. Complete text of Rule and Appendix I may be found in the current *Rules of Golf.*

Unless otherwise noted, the penalty for breach of a Local Rule or Condition is:

Stroke Play - Two Strokes.

CONDITIONS OF COMPETITION

TIME OF STARTING - All players must be present at the proper tee, ready to play at their scheduled time, or if starting times fall behind, when the starter calls the first player in the group to play. The note under rule 6-3 and Appendix I will be in effect.

SCORE CARDS - Signed and attested score cards shall be turned into the scorer's table following the stipulated round. Once the card is turned in, it is deemed officially submitted.

CONDUCT - The CIF Southern Section reserves the right to refuse entries at any time during the tournament. Reason for refusal may include unbecoming behavior.

DRESS ATTIRE - Players must adhere to the dress code as stated in the Individual and Team Bulletins.

FOOTWEAR - It is a condition that shoes with traditionally designed spikes (regardless of composition, i.e., ceramic, plastic, etc.) or spikes, regardless of design comprised either entirely or partially of metal (if such metal may come in contact with the course) are prohibited during the stipulated round. Penalty for breach of this condition by the player: disqualification.

LOCAL RULES

OUT OF BOUNDS - Defined by inside points, at ground level, of white stakes, white irrigation flags and/or fence posts.

When the inside edge of a road or curb defines out of bounds, a ball which crosses a public road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course.

Decision 27/20

PROTECTION OF YOUNG TREES - Staked, supported or braced trees; relief, if given, is under Rule 24, trees' protection. Relief must be taken to avoid any damage to trees. NO RELIEF IS GIVEN FOR TREE BASINS.

WATER AND LATERAL WATER HAZARD STAKES AND LINES - Water hazards are defined by yellow stakes, yellow lines or yellow irrigation flags. Rule 26-1

Lateral water hazards are defined by red stakes, red lines or red irrigation flags. Rule 26-1 When both stakes and lines are used to define water and lateral water hazards, stakes identify hazards and lines define margins. When a lateral water hazard is defined on only one side, it is deemed to extend to infinity. When water hazards and lateral water hazards are bounded by out of bounds, the hazard margin extends to and coincides with the out of bounds line.

GROUND UNDER REPAIR - Enclosed white-lined areas define ground under repair. French drains, even though not so marked, are deemed ground under repair.

WHITE-LINED AREAS TYING INTO ARTIFICIALLY SURFACED ROADS AND PATHS - have the same status as the roads and paths, that of obstructions.

NEWLY SODDED AREAS - If a ball lies in or touches a sod seam, the player may, without penalty, lift the ball and clean it. The player shall drop the ball as near as possible to where it originally lay, which is not nearer the hole, avoids interference by the condition and is not in a hazard or on a putting green.

WOOD CHIPS AND MULCH - are loose impediments, unless otherwise provided for in the Local Rules Addendum distributed at the site.

EMBEDDED BALL THROUGH THE GREEN - Local Rule as prescribed in Appendix I shall be in effect.

INTEGRAL PARTS OF THE COURSE - Included are cables, rods, wires or wrappings when closely attached to trees; liners in bunkers and artificial walls and pilings when located in hazards, unless otherwise provided in the Local Rules Addendum.

POWER LINES - If a ball strikes an elevated power line, the stroke shall be canceled and the player must play a ball, without penalty, as prescribed in Rule 20-5. See Local Rules Addendum for location of applicable power lines.

EDGING GROOVES - If a ball lies on an edging groove around a putting green, the player may, without penalty, lift the ball, clean it and place it out of the groove in the nearest position to where it lay, whether on or off the putting green, whichever is not nearer to the hole.

Rule 3-3 Doubt as to Procedure

In stroke play only, when during play of a hole a competitor is doubtful of his rights or procedure, he may, without penalty, play a second ball. After the situation which caused the doubt has arisen, the competitor should, before taking further action, announce to his marker or a fellow-competitor his decision to invoke this rule and the ball with which he will score if the rules permit.

The competitor shall report the facts to the Committee before returning his scorecard unless he scores the same with both balls; if he fails to do so, he shall be disqualified.
