BEVERLY HILLS SUCCESSFULLY DEFENDS TEAM TENNIS TITLE

By winning the 1952 Team Tennis Championship of the C.I.F., Southern Section, Beverly Hills High School has won the right to retain possession of the beautiful sterling silver Southern California Tennis Patrons Association Cup until next year. Beverly Hills defeated South Pasadena High School 18-10 in the championship match played May 27, 1952 on neutral courts at the Los Angeles Tennis Club.

These same two tennis teams fought it out in the finals in 1951, with Beverly Hills winning by almost the same score, 17½ to 10½.

Fourteen teams represented their leagues in team tennis competition. First round matches saw San Bernardino defeat Anaheim, 14½ to 13½; Coronado defeat Elsinore 17-11; Monrovia defeat St. Augustine's, 21-7; Jordan defeat Rosemead, 18½ to 9½; Thacher defeat Loyola, 18-10; and Santa Barbara defeat Ventura 15-13.

Quarter final results:

Beverly Hills defeated San Bernardino 19-9

WILSON HIGH SCHOOL AGAIN CAPTURES TEAM GOLF CHAMPIONSHIP

Winning the C.I.F., Southern Section Team Golf Championship each year is getting to be more than a habit for Wilson High School of Long Beach; it's almost a tradition.

Coach Roland Davis' boys did it again May 23, 1952 at the Recreation Park Golf Course, site of the 1952 Team Championship play, when they used but 906 strokes in playing 36 holes by six boys. Wilson's closest competitor was La Jolla High School, who turned in a creditable 938.

An anlysis of the scoring shows that Wilson's golfers averaged a score of 75½ strokes for each of the two rounds these six boys played, on a par 72 course, in championship competition. La Jolla's boys averaged 78 strokes per round.

The low medalist for the day was Tommy Jacobs of Montebello HS, with a brilliant 69-73-142, two under par. Montebello's team finished in third place with 948 strokes.

Seventeen full teams entered the competition, and some boys entered but their school did not have a full team entry. A total of 131 boys participated. There were 64 rounds recorded with scores in the 60's and 70's. Twenty one boys played both their rounds in better than 79 strokes.

Medalist honors for the day:

Tommy Jacobs, Montebello	69-73-142
David Diffenderfer, La Jolla	70-75-145

INDIVIDUAL LOW-MEDAL GOLF RESULTS

Larry McIntyre, smooth stroking senior from Woodrow Wilson High School, Long Beach, won the C.I.F., Southern Section Individual Low-Medal golf championship with a one over par 73 at the Montebello Municipal Golf Course, May 29, 1952. A field of 70 of the best high school golfers in southern California entered, but for the first time in many years, not one of the boys was able to better par figures.

The Montebello course totals 6441 yards, with par set at 36-36, 72. McIntyre played the first nine in even par, getting a birdie on the par 4, number 5 hole, but slipping to a bogie 5 on the short 307 yard 7th. He found the going tougher on the back side, losing one stroke to par on both the 11th and 14th holes, but he finished strong with another birdie on the 476 yard, par 5 eighteenth.

Tommy Jacobs, Montebello High School, one of the finest high school golfers to come along in years, finished second with a 74. Jacobs had trouble with his putting on the first nine, slipping to a three over par total of 39. However, after getting another bogie on the 11th, Jacobs played the last two holes in two under par, finishing the last nine in 35, for an 18 hole score of 74 and runner-up honors.

Twelve of the 70 boys scored in the seventies. The Montebello golf course was placed in excellent condition for the event, with all the pins placed in difficult positions on the greens. The C.I.F. wishes to thank Mr. Keith Jacobs, Manager of the course, for his continued interest in high school golf competition.

CORRECTION ON DATES FOR 1953 LEAGUE TRACK MEETS

League Championship Track Meets may now be scheduled for the week of May 8 and 9, 1953, instead of April 24 as erroneously reported in the calendar of events in the May 1952 Bulletin.

The C.I.F., Southern Section Track Preliminaries will be held on Saturday, May 16, 1953. Moving the dates toward the later stages of the semester will afford more boys better weather for the events, will lessen the inactivity period from the start of C.I.F. competition to the end of the semester, and will make for better early season conditioning.

Change the date in your May 1952 Bulletin from April 24 to May 8, 1953 for the League Championship Track Meets.

BAY LEAGUE NETTERS DOMINATE CLASS A TENNIS TOURNAMENT

Entries from the Bay League walked away with most of the honors in the 1952 C.I.F., Southern Section Class A Tennis Tourney held June 7 at the Long Beach City College courts. Finalists in both the singles and doubles came from Santa Monica and Beverly Hills High Schools, with the Beverly Hills boys gaining three out of the four final berths.

John Douglas of Santa Monica won the singles crown for 1952 by downing Joseph Blatchford of Beverly Hills HS in a well played match, 4-6, 6-4, and 6-4. Blatchford had upset the top-seeded William Cranston of South Pasadena HS to win his way to the finals, 2-6, 6-1, 6-4. Douglas gained the final round by turning back Bill's brother, John Cranston, 6-4, 6-2, in another semi-final match.

The Cranston family placed two boys in the semi-final singles matches, an unusual feat.

Top-seeded doubles team John Lesch and Mike Franks of Beverly Hills HS captured the doubles crown by defeating their teammates from Beverly Hills, Ed Covey and Tom Freiberg, 6-3, 2-6, 6-3. It was the first time that two doubles teams from the same school reached the final championship round.

Franks teamed with Allen Call last year to win the doubles crown, and Lesch took over when Call graduated, to give Beverly Hills HS the best doubles team in the C.I.F. for three consecutive years. It also was the 3rd consecutive year that a Santa Monica HS boy has won the singles title, as Allen Cleveland won it in both 1951 and 1950 for Santa Monica HS.

NORTHERN, SOUTHERN, AND CENTRAL GROUPS BASEBALL TITLES WON BY PASO ROBLES, CITRUS, AND SAN DIEGO HIGH SCHOOLS

Baseball teams in the C.I.F., Southern Section will have to doff their caps to Paso Robles High School, Citrus High School of Azusa, and San Diego High School as these three fine baseball squads won the 1952 championships in the Northern, Southern, and Central Groups of Leagues, respectively.

San Diego won the Central Title by trimming Santa Barbara 10-3 in a game which was nip and tuck through the first six innings. But San Diego's batting power finally got to Jim Jenkins, Santa Barbara's outstanding pitcher, and when the fielding defense collapsed, San Diego quickly moved ahead to win easily in the latter stages of the game. The game was played in Santa Barbara at Laguna Park, Thursday afternoon, May 29.

Citrus HS, winner of the Tri-County League, defeated Coachella, Riverside County champion, in the championship game of the Southern Group, in a game played at Coachella May 29, by the score of 9-2.

Bellflower HS, first baseball champion of the newly formed Pioneer League, served notice to the Northern Group schools, that the Pioneer League will be tough to beat, when Bellflower won its way into the final round, only to fall before Paso Robles in a game played in the northern city, Saturday, May 31, by the 12-5 score.

EL SEGUNDO, WHITTIER, AND RIVERSIDE CAPTURE SWIMMING CHAMPIONSHIPS

Before an enthusiastic crowd of rooters in Jordan High School's new plunge, El Segundo High School again won the Class A Swimming Championship, while Whittier captured the Class B title, and Riverside won top honors in Class C. Competition was especially keen in Class C and Class A, with the relay events deciding several team standings.

Since the Long Beach high schools are now enjoying new swimming pools, their boys are making their presence known in all competition. Those schools which have been leading the C.I.F., Southern Section swimming parade must now ready themselves for increased competition from the Coast League schools.

A feature of the event was the Class A diving, where Mike Copeland of Beverly Hills and Richard Conners were so evenly matched, it was difficult to choose between them. In the semi-finals, Conners led Copeland 224.9 to 224.0; but in the finals Copeland executed all of his five dives in consistent superior fashion to win 213.5 points; while Conners, brilliant in four dives, had one weak execution which cost him the title, as he scored 213.3.. It will be a long time before swimming fans see two fine divers so evenly matched.

Because of the large number of entries, Preliminaries were held at Whittier and El Segundo High Schools; Semi-finals and Finals at Jordan High School. A separate day was set aside for qualifying divers for the Finals, and this innovation proved to be a popular one.

TRACK CONTESTANTS CONTINUE TO IMPROVE PERFORMANCES IN C. I. F., SOUTHERN SECTION CHAMPIONSHIP SERIES

The 1952 track and field competition continued to prove the old adage, "no matter how good you are, somebody better will come along some day", as the performances turned in by Southern Section boys easily indicated. One new C.I.F., Southern Section record was written into the books, by Lanny Carter of Orange HS, when he sped 440 yards faster than any boy previously in C.I.F. meets in the time of 48.9 in the Preliminaries at San Diego State College's track, May 3.

Coach Ernst Hartmann's Compton High School squad nailed down the team title with an overwhelming 30½ points in Class A, while Hoover of Glendale won the Class B championship by edging Pomona 19½ to 17; and Hart HS of Newhall nabbed the Class C honor by nosing out Hoover of Glendale and Wilson, each of whom scored 10 points to Hart's 13.

Four Preliminary Meets were held, at Oxnard HS, at Compton HS, at Riverside HS, and at San Diego State College. Approximately 2000 competitors took part in these meets on May 3. The 26 C.I.F., Southern Section leagues were grouped so as to distribute total enrollment, and meets were held in geographic areas. Nine boys were qualified in each event at each meet.

Two Semi-Final Meets were held, at Chaffey HS in Ontario, and at Carpinteria HS. Competition was especially keen in these meets, where two heats were run in each event and only the first and second place boys in each heat were to go on to the Finals.

Huntington Beach High School's excellent track and field was the scene of the 1952 Championship meet, with a packed grandstand on hand to watch the performances. The event was run off in excellent manner, with the pole vault the only event to drag. Perhaps it is time for our Council to consider a rule making it mandatory that each contestant complete his attempted vault within a given number of minutes or be charged with a vault. Vaulters should not be permitted to delay completion of a meet for an hour after all other events are over, merely because they spend five to ten minutes getting ready for a try.

The administration and the staff of each of the schools which held a C.I.F. meet this year are to be commended for their unselfish efforts in making the track program a successful one. Without the assistance of the host schools, two thousand of the finest track and field athletes in this nation's high schools would not have been able to enjoy this fine activity.
